

M28 B5 | M28™ 5.0 Ah battery

- Delivers up to 65% more run-time & up to 20% more life compared with other Lithium-Ion technologies and / or with previous MILWAUKEE® battery technology. (Results depend on tool and application)
- REDLITHIUM-ION™ protection with REDLINK™ digital overload protection to prevent users from damaging their cordless power tool investment in abusive situations
- Individual cell monitoring ensures optimal charge and discharge for maximum life
- Durable metal frame battery construction with shock responsive separators preventing pack failure from excessive vibrations or drops
- Water protection routes water away from the electronics & out of the battery pack
- Extreme hot and cold operating temperatures down to -20°C extend run time & life
- On-board battery fuel gauge helps the user to maximize his battery run time efficiency
